Mission

- To produce industry-ready professionals, managers, and entrepreneurs.
- To contribute towards national economic development by producing skilled and ethical human resources in hospitality and management.

ABOUT IIAS

With a glorious heritage spanning almost three decades of delivering world-class pedagogy, we take immense pride in acquiring the status of one of West Bengal's top education institution engaged in imparting management education to diverse sections of society. Established in 1990, as International Institute of Advanced Studies – IIAS now imparts quality education to the aspiring students who cherish the dream of building their career in Business Management and Hospitality Management, providing them with both long-term course and short-term course options.

At IIAS a student passes through an education system that is in tune with the needs of the industry and the IIAS teaching methodology, faculties, industry collaborations and events are synergized to provide students with a strong foundation of knowledge and skills required to stand out in their career of choice.

With a focus on international exposure and industry-readiness, IIAS has often tied up with institutions in other parts of the world to give its students the best possible education and experience.

FROM THE DIRECTOR

"IIAS has three decades of excellence in Hospitality & Management education. As the first private hotel management college in North Bengal and one of the pioneers in hospitality education in eastern India, IIAS has been a key partner in providing quality and skilled human resources to the industry.

We are committed to provide our students a solid foundation in education combined with work experience while learning. Our highly experienced team of faculty members transforms our students into competent professionals with human values.

Our academic delivery is designed keeping in mind the needs of the industry and our faculties take great pride in enabling learning opportunities for our students that goes above and beyond the books and university curriculum.

I take this opportunity to share my sincere thanks to all our recruiters, who have given opportunity to our students over all these years and continue to support us. I urge you to recruit students from IIAS and assure you that they will be assets to your organization and pillars on your journey of tomorrow."

Sincerely,
Abhinandan De
Managing Director, IIAS Education Group

FROM THE PLACEMENT DESK

The Students' Career Services Cell of IIAS along with our invested faculty members is responsible towards making all our students employable and placing them with the leading brands of the industry. The placement process gets its momentum from the carefully designed curriculum and the specialised pre placement training which takes care of the heterogeneous background of our students and lays emphasis on making them not only 'job seekers' but also 'job creators'.

The choice of specialization as well as the endless pre-placement exercises like mock interviews, super-specialised classes and seminars on various existing trends of the industry prepares the students for the current requirement of the market.

We take pride that many of our skilled students have not only secured placements with various reputed organizations but have also successfully highlighted the tag of 'IIASER' in the industry with their immense hard work and capabilities in various leadership roles.

Sincerely,
Dipanwita Sengupta
Career Services & Alumni Relations Officer
IIAS School of Management

Life at IIAS

Clubs and Extracurricular Activities

From organizing food festivals to participating in various contests or staging inter-college fashion shows and dance competition –

IIAS School of Management makes sure that students are always involved in activities and make the most of their student lives.

Sports & Games

We at IIAS believe that Sports plays an integral role in streamlining the lifestyle of students and further helps them to maintain a great balance of physical and mental development.

Keeping true to the above belief Inter-college and intra-college cricket, football, badminton tournaments are held from time to time.

Real World Exposure

IIAS brings the component of 'working' alongside the classroom 'learning'. It acts as the reinforcement. Staying true to the above belief, we have intricately designed our unique 'Work-Learn Program'. This enables our students to understand the concepts taught in class through the prism of real life industrial experiences.

The students also go for study excursions, field trips and can also opt for part-time work, if their schedule allows. This work integrated learning provides them with relevant knowledge and skills to enter the workforce ahead of others. They become employable in no time.

Corporate Engagements

Some of our critically designed Corporate Engagement sessions are as listed below:

Master Class- Hospitality Industry 2020

Sessions like these help the students to understand the dynamics of the business and also help them to stay updated on the latest trends and demands of the industry.

Youth Entrepreneurship Summit-2018

Events like these not only help us to bring our students close to the various successful entrepreneurs but also inspire our budding entrepreneurs and youths with dynamic new ideas.

Guest Lectures

These sessions are more frequently held for about half a day by eminent personalities from the industry. The sessions help the students to get a clearer picture about the qualities and skills required to excel in the professional world.

Wine Tasting Workshop - 2018

Workshops like these are immensely helpful for a student to secure added knowledge on a specialised topic like 'Wines'. Hence frequent sessions like the above one have proven to be very helpful for students to achieve an edge over the others in both their academic and professional environment.

Why Recruit IIASers?

Glorious Academic Legacy

Being one of the first few Hospitality Management colleges in West Bengal, IIAS has contributed immensely towards providing quality education in the field of Hospitality Management to all its students.

Carefully designed program

IIAS is a true innovator in Hospitality education. The curriculum is designed to impart quality and contemporary knowledge to the students with well crafted modules and last two consecutive semesters of specialised practical learning with a closed group of students under a designated mentor.

Cosmopolitan environment

With students from various neighbouring countries like Nepal, Bhutan and Bangladesh; students at IIAS are exposed to a cosmopolitan environment. This enables our students to adopt new trends, socialize easily with people from different background and also shape their perceptions easily.

Invested Faculty Members

Drawing from their personal industry experience and extensive study of the hospitality industry, the faculty members foster a learning environment designed to engage students and to advance industry knowledge.

Strong Alumni Network

IIAS has been educating students for 3 decades and boasts of an enviable alumni network all over the world. More than 6000 alumni holding respectable positions in various properties, we are proud to be a renowned brand in Hospitality Management Education.

Recruiting Companies:

Placement Process

Placement in IIAS is just one of the meeting points that facilitates the exchange of knowledge between the students and the industry. It is a platform for opportunities where companies are invited to recruit students of various specializations and work experience.

Potential employers are able to undertake on-campus recruitment through a stream-lined process of registrations, PPTs and selection. The students attend presentations, are interviewed and recruited for full time employment, part time employment, internships and Industrial exposure training.

Employers appreciate the fact that the graduates from this college have gone through an intensive ongoing Personality Development Programme and Technical Development Programme. This ensures that they are able to face interviews confidently. They are armed with the right attitude, skills and discipline and are ready to respond to the ever changing demands of the industry.

Though the students graduate only in June, Campus Recruitment for the Final Year students starts in the month of September the previous year and ends in April.

IIAS follows a planned approach to it's Placement Services for the students:

First Year

- Career Mapping
- Industry Interface
- Industrial Visits

Second Year

- Mentorship on Upcoming Industrial Internship
- Industrial Internship
- Identifying the preferential Area of Interest

Third Year

- CV drafting workshop
- Mentoring Sessions
- Mock Interview Sessions
- Campus Placement

The Industry Speaks

The Lalit Ashok, Bangalore

"It gives me immense pleasure to be associated with IIAS. We have had strong association with the college and have always found the team to be very proactive and endearing".

Crown Plaza, New Delhi

"It gives me immense pleasure to inform you that we have received positive feedback for your students from the departments that they have worked in. They are diligent, dependable and very hardworking..."

ITC Sonar, Kolkata

"At the outset I take the liberty to put in record our appreciation for the amazing students. It speaks a great deal about IIAS and the ethos that you instil in the students. It will be a pleasure to provide exposure to students with high levels of energy and positive attitude of IIAS."

Oberoi Grand, Kolkata

"IIAS is indeed one of the best institutes. Unlike other institutes, it believes in quality over quantity....The students who come here are well groomed and they possess the desire to learn, I really feel proud to have them here...."

Alumni Speaks

The truest worth of an institute can only be gauged by the success of its alumni. On this front, our students have made us proud time and again. From top corporate executives to successful entrepreneurs, from leading researchers to renowned faculty, and leaders of Industry to leaders of the nation, our alumni have made truly remarkable achievements in a diverse range of fields. Our vast alumni network helps us to bring a real-life perspective to students by interacting with them regularly through meets arranged by the Students' Career Services and coaching and mentoring students to prepare for real world challenges in industry and beyond.

Having successfully completed my Diploma in Hospitality Management, I pursued my career with notable brands. The education imparted by IIAS served as a beacon for my growth, essaying multiple roles and currently serving as a General Manager with a distinguished hotel brand has given me the stature I had aspired for..."

- Shiv Bose
(GM, Courtyard by Marriott-Bengaluru)

"I am presently settled in Northern Ireland, UK from past 15 years. I own two restaurants in London and Belfast named 'Mama Masala' engaged in retailing the customers with Indian and Italian Cuisines. I am a proud student of IIAS. It has the best faculty, the state-of-art infrastructure to get a grip of the Hospitality Industry."

- Gagan Pal Singh
(Restaurant Entrepreneur, UK)

"IIAS has been a life changer for me. I was not too sure of what I would be doing and how far I would reach. Their motto 'THINK BIG' during our batch has really helped me to think big and expand my vision. I owe my success to my teachers and mentors."

- Avinash Parmar
